Payment Plans: Perpetual, Session, and Casual Booking

When considering payment options one needs to consider the type of booking. We have two types of bookings: Perpetual and casual.

• Perpetual Enrollment (Monthly Auto-Pay):

You are signed up on a continual basis. Any registration fees owed plus the cost of your lessons will be charged in monthly payments on the first of every month. The payment plan is considered contractual and all payments are required. Any changes or lesson cancelations must be submitted 30 days before the lesson online through the cancelation form.

You do not have to wait until the beginning or end of the month to start swimming. Signing up for lessons during a billing cycle will result in a pro-rated charge.

Any additional charges incurred are to be paid in full before participating in the swim program. We can take payment via MASTERCARD, VISA, or ACH direct debit. *These payments will be withdrawn on the 1st of each month.*

If choosing to pay for the lessons in advance through check or cash, you must make sure your payment is received before the 1st of the month. Your credit card will remain on file regardless of your method of payment.

•Casual Booking (One Time Pay):

One time lesson bookings require the payment to be made at the time of booking. They can be scheduled at any time through the online registration form. There will be no payment required other than the original fee required at the time of booking.

**The casual bookings price is increased to \$20 p/15 minute private lesson, unless four or more lesson are purchased at one time. Then our regular pricing applies. We always recommend a minimum of 8 lessons for a new beginner. The cost for 8 15 minute private lessons is \$136.00.*

*** Please note that with the exclusion of Parent-Tot all other lesson types require a \$30 Annual Registration fee*
